

Bartram Garden Club Scrapbook
Section 25

Bartram Garden Club member Karen Reily wins the Amelia Tree Conservancy heritage tree photo contest.

From ATC's website:

"ATC Amateur Photo Contest Winners & Winning Photos
April 19, 2023

Amelia Tree Conservancy thanks all those who submitted photos to the Heritage Tree Amateur Photo Contest.

We are pleased to announce the winners of our Amateur Heritage Tree Photo Contest:

Under 18 winner is Sophia DeMott, 8 years old, whose winning photo is of Kate's Tree at Ash & 8th.

18 and Over winner is Karen Reily, a Fernandina Beach resident, who captured a photo of Fred's Tree (8th & Ash) at dawn.

Our winners were guests at our Annual meeting on April 12 and each received a prize of \$150 and a copy of The Giving Tree.

Congratulations Sophia and Karen!”

Amelia Tree Conservancy is a diverse coalition of Amelia Island citizens and friends dedicated to preserving our maritime forest canopy and the unique environment it supports.

BGC Supports Girl Scout Program

“Wild About Wildflowers” Scouting Patch was awarded to these 4th grade Girl Scouts on April 1, 2023. Deb Walton, co-president of BGC, presented the girls with a state wildflower plant — Coreopsis, and they earned the beautiful NGC/FFGC wildflower patch. (We have a waiver from the parents allowing us to print their faces.)

January 2023**

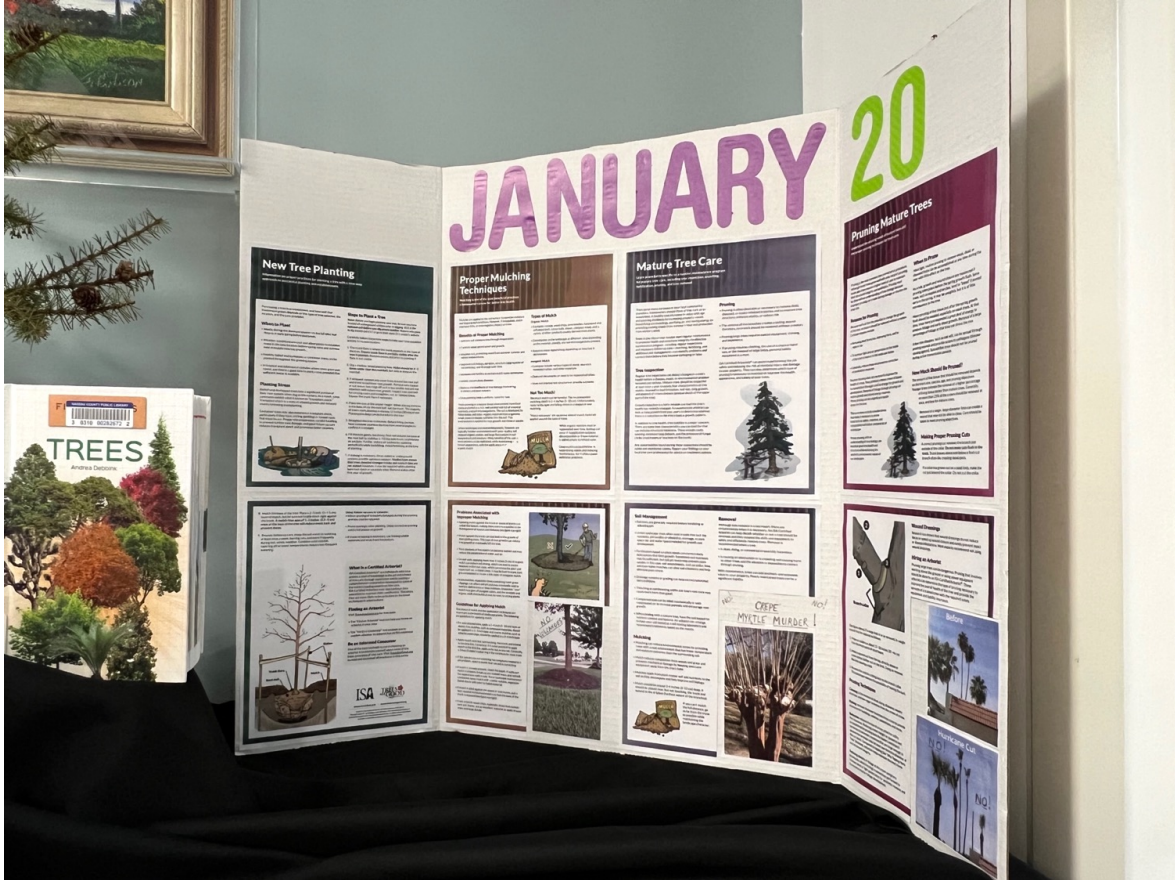

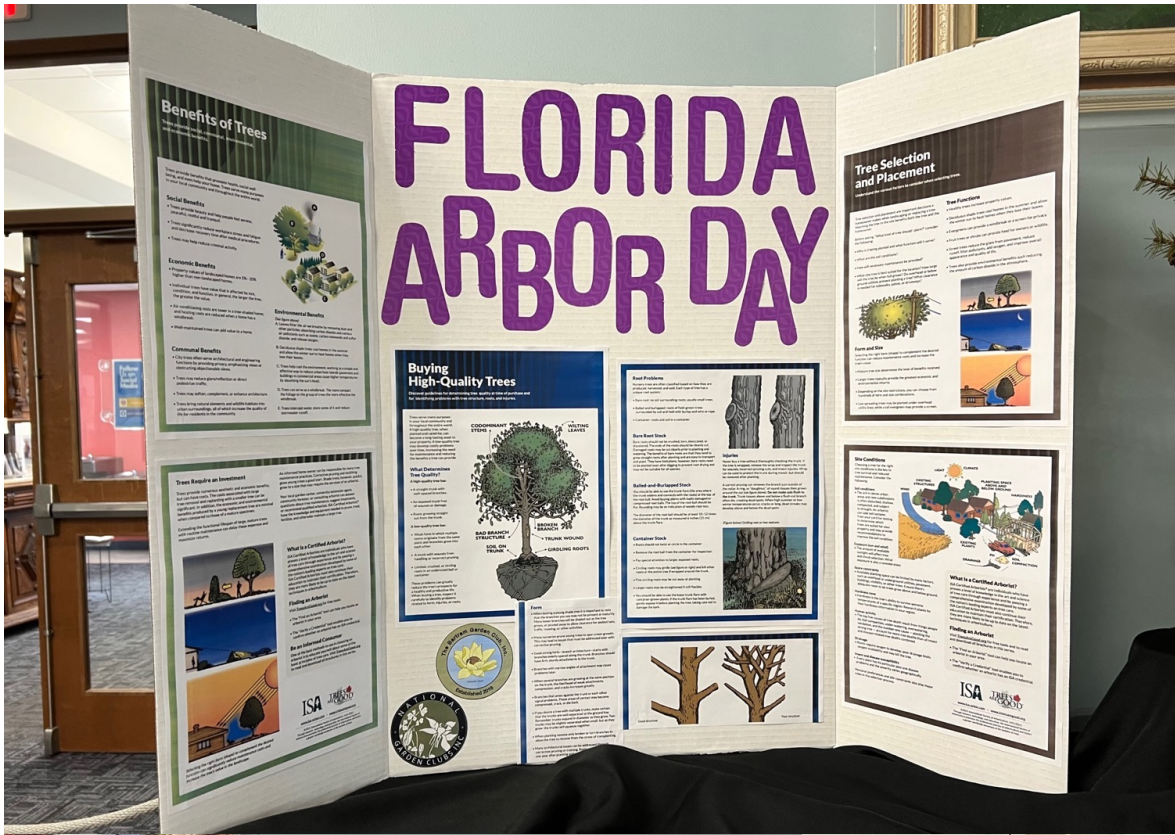

Bartram Garden Club focuses on Florida Arbor Day with an educational exhibit at the Nassau County Library, Fernandina Beach branch. January 2023

The Bartram Garden Club created an educational exhibit to commemorate Florida Arbor Day, January 20, 2023. The exhibit was done in cooperation with the Fernandina Beach Public Library and consisted of informational materials, books and brochures regarding the significance of trees in our environment.

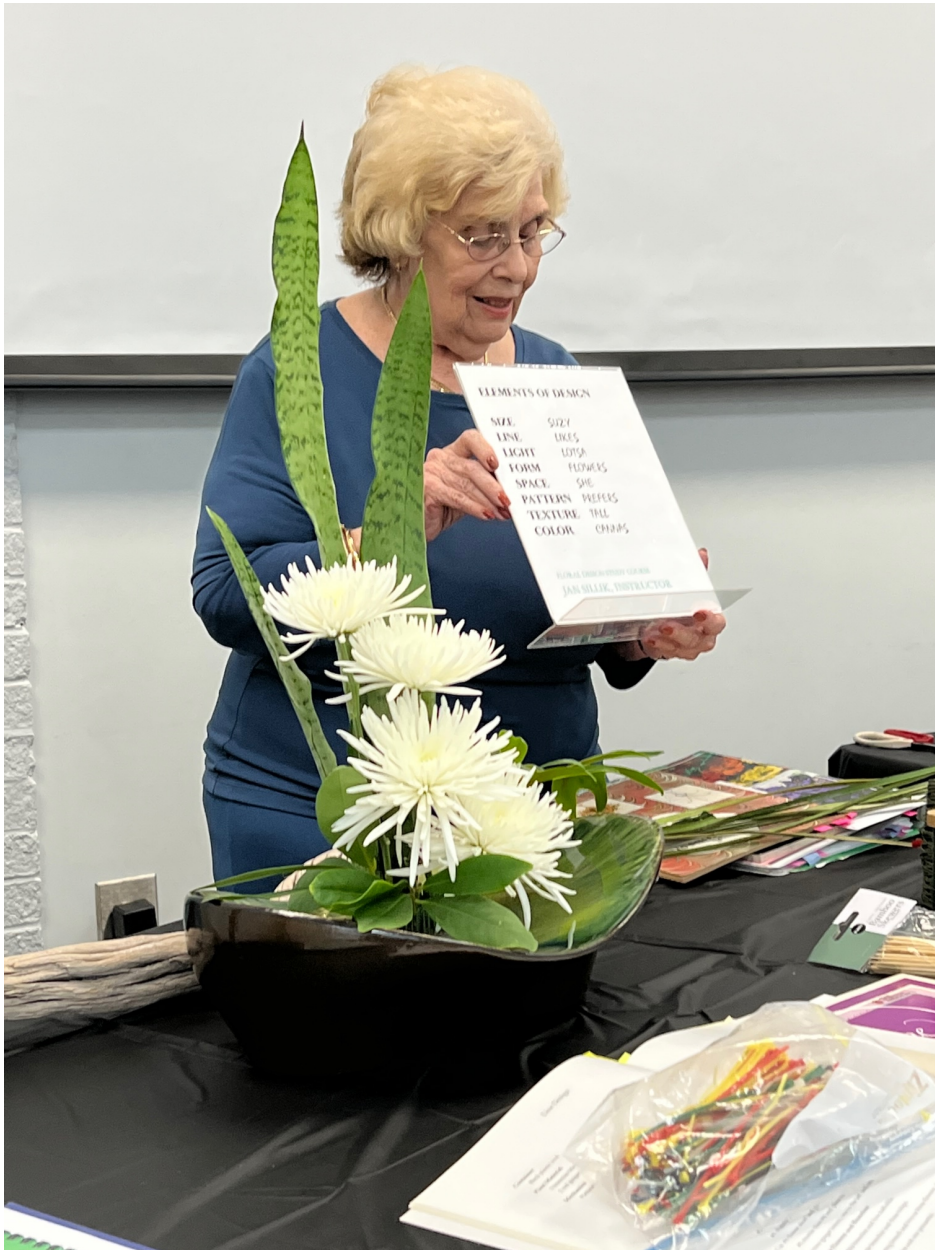

Basic Floral Design Class

February 2023

The club held a basic floral design class prior to our NGC Flower Show, *Down the Rabbit Hole*, in April, 2023.

Jan Sillik demonstrates line-mass designs.

Petites and tray design class examples.
